Jacana at a Glance

Building a vertically integrated, global platform

100 Acres

Funded Capacity

5,000 KG

2019 Production

\$0.15

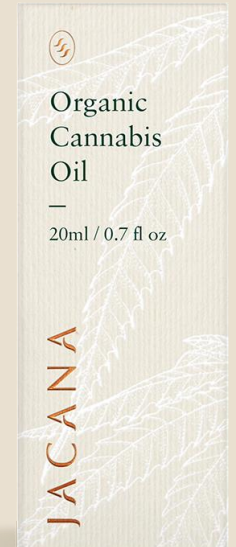

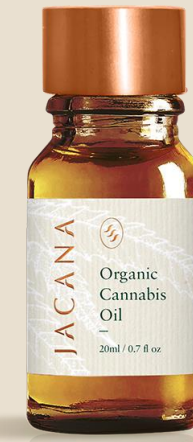

Cost/Gram (Wet)

1st

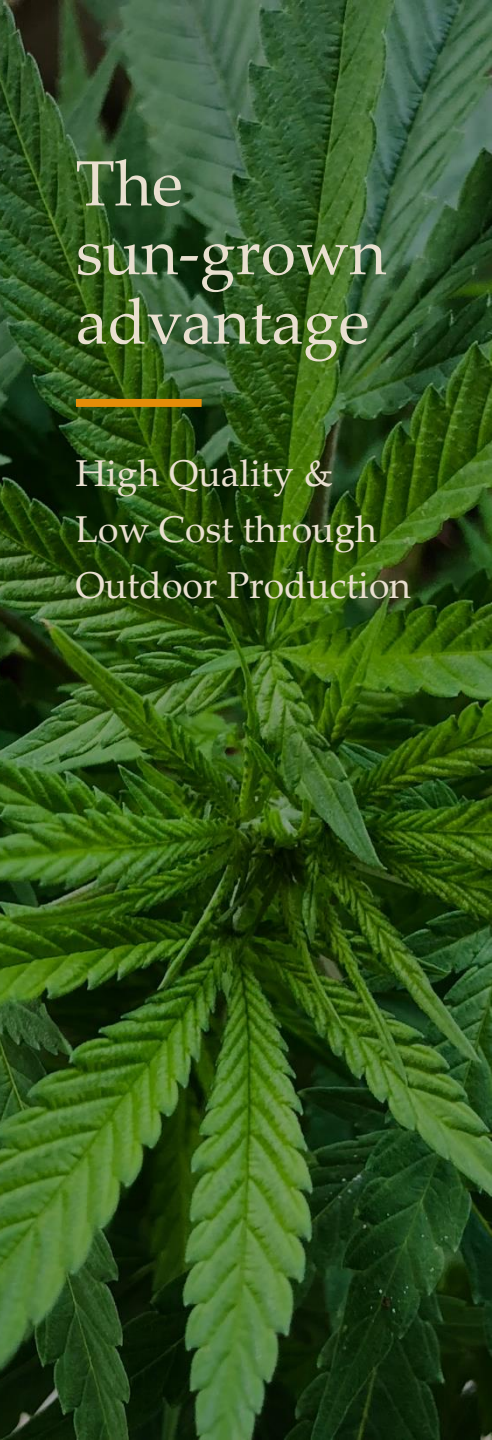

Jamaican Exporter
of Medical Cannabis

Branding

Developing a
unique Brand of
Medical Cannabis

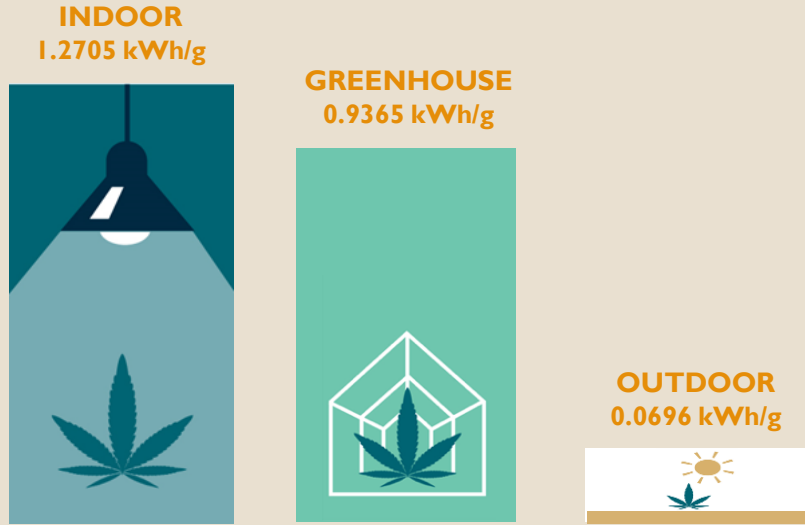

- Jacana products are distributed through a partnership with a large Canadian LP (Packaging as per Canadian regulations)
- Jamaican and European packaging and labeling regulations are more permissive

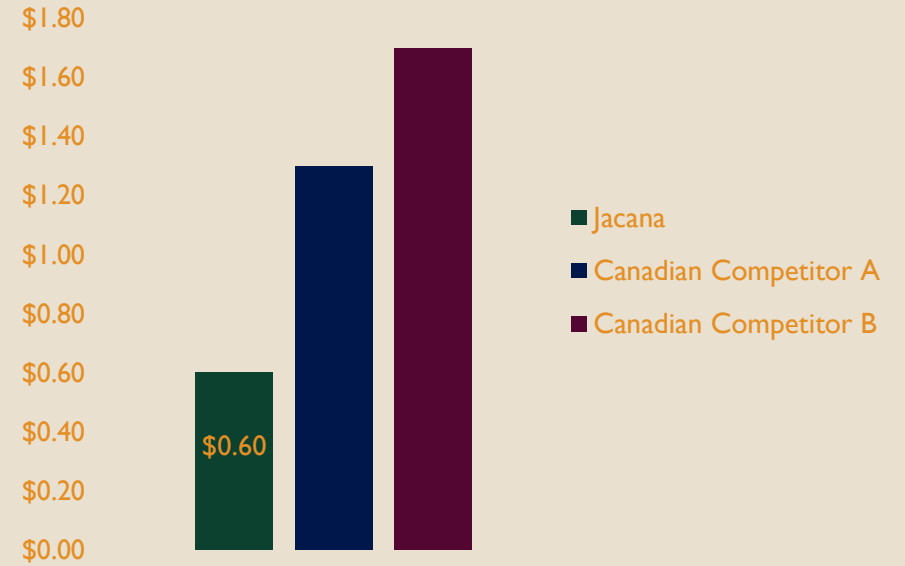

The sun-grown advantage

High Quality & Low Cost through Outdoor Production

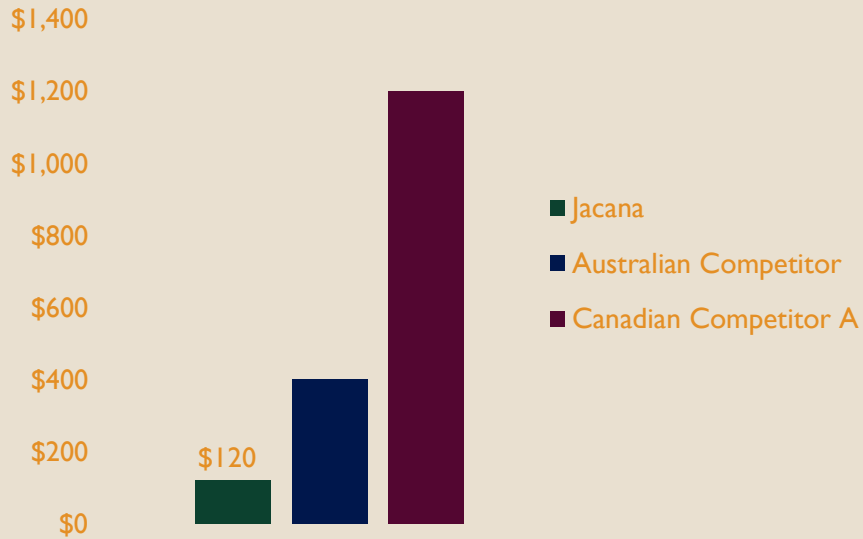

Less Energy, Less Emissions

Significantly Lower Production Cost/Gram (Dried, Bulk)

CAPEX per KG of Annual Capacity

95%

More Energy Efficient

45%
